Instructions For RFID Sticker Placement

Enclosed with this letter are two (2) RFID stickers that have been pre-assigned to your address. These stickers are important so that your home can receive great savings and prizes for your participation in the Rewards for Recycling program for active recyclers.

If you have more than one Recycling Bin, Please identify ONE bin as your primary bin to be utilized every occasion. Your primary bin must have both (2) chips attached, 1 to each side on the long side of the bin as shown below.

Step 1:

Clean ID Target Positions on Recycling Bin with rubbing alcohol or window cleaner, (Approximately 3 to 4 inches below top rim, on the ***long side*** of bin, centered)

Allow to dry.

Step2 :

Remove Account ID sticker from backing.

Step 3:

Carefully place Sticker on Recycling Bin in the targeted position. (**Shown Below**) On Longest side of bin, 3 to 4 inches below top, Centered on outside of bin, in plain view.

Step 4:

Press firmly across RFID Sticker to verify proper adhesion.

Step 5:
